

Non Discrimination Statement

Presentation College is committed to equality of opportunity in all its enrolment, employment practices, policies and procedures.

It will ensure that no prospective student or student will receive less favourable treatment due to his/her sex, marital status, family status, age, sexual orientation, political persuasion, religion, disability, race, colour, nationality, national or ethnic origins, including membership of the travelling community, in terms of enrolment, education or opportunities afforded for advancement.

It will ensure that no job applicant or employee will receive less favourable treatment due to his/her sex, marital status, family status, age, sexual orientation, political persuasion, religion, disability, race, colour, nationality, national or ethnic origins, including membership of the travelling community, in terms of recruitment, pay and conditions of work, training and work experience, and opportunities for career promotion.

Signed: _____

Mr. Rory Healy
Chairperson
Board of Management
